

Are you ready for a week that might change your life?

Come and be part of a special week in Lourdes, whether as a carer or as an assisted person, or through your generosity you can help people with disabilities, young and old, to have a truly life-changing experience.

'Whether at Easter or in the Summer HCPT offers people of all ages fantastic pilgrimage holidays in Lourdes. I just love it, and I'm sure you will too!'

Stephen

Life-Changing Pilgrimage Holidays
